Re: Letter in Support of Judge Ketanji Brown Jackson, Nominee for the Supreme Court.

Dear Senators:

We, the undersigned former Attorneys General of the states and jurisdictions, write to express our strong support for President Biden's nomination of Judge Ketanji Brown Jackson to the Supreme Court.

Judge Jackson, who currently serves on the United States Court of Appeals for the District of Columbia Circuit, has outstanding qualifications to serve on the Supreme Court. Her impressive legal career has provided her with many opportunities; and she has experienced the justice system from all perspectives - as a federal appellate judge, district court judge, vice-chair of the U.S. Sentencing Commission, private practitioner, assistant public defender, and U.S. Supreme Court clerk for Associate Justice Stephen Breyer. Her outstanding academic credentials, integrity, and commitment to following the facts, impartiality, fairness, and the rule of law are the qualities essential to serving on the Supreme Court.

As former Attorneys General who served as the chief legal officer of our respective states and jurisdictions, we comprise a diverse group of individuals with differing legal backgrounds and experiences with our justice system. Our ranks include a former President, two Vice-Presidents, Governors, Secretaries of State, legislators, private practitioners, public defenders, State Supreme Court Justices, state court trial judges, U.S. Attorneys, Cabinet Secretaries, U.S. Senators, and U.S. Representatives.

We understand and appreciate the qualifications and background that nominees for the Supreme Court should possess, and Judge Jackson has them all, including:

- Extensive legal experience, both criminal and civil, with a deep understanding of law and its impact.
- Ability to examine issues from multiple perspectives, following the facts with fairness and integrity

- Outstanding academic background

Judge Jackson has been confirmed by the Senate on a bipartisan basis three times, including last year, 2021, when she was confirmed to the United States Court of Appeals for the District of Columbia Circuit. We urge the Senate Judiciary Committee to approve her nomination as quickly as possible, with a Senate final confirmation vote to follow shortly thereafter.

Thank you for the consideration of our views.
