Ind. No. 87(2)/2022

-----x  
The Plaintiff, as and for its Bill of Particulars, alleges:

**As to All Counts of the Indictment:**

A. The date when the crimes were committed is on or about and between the 1<sup>st</sup> day of October 2022, and the 2<sup>nd</sup> day of October 2022;

B. The time when the crimes were committed was continuous, beginning in the afternoon of the 1<sup>st</sup> day of October 2022, until approximately 7:30 a.m. on the 2<sup>nd</sup> day of October;

C. The place where the crimes were committed is in the Town of Poughkeepsie, County of Dutchess, and State of New York, more particularly in the Courtyard by Marriott hotel, located at 2641 South Road.

**Substance of Defendant's Conduct as to All Counts of the Indictment**

At the above date, time and place, the defendant knowingly possessed a loaded, operable AR-15 style, 5.56 caliber, fully automatic rifle, bearing no serial number, in room 143 of the Courtyard by Marriott hotel. The rifle was outfitted with a

selector switch, telescoping stock, as well as a pistol grip which protruded conspicuously beneath the action of the rifle. The defendant was also in possession of the following items in room 143: three (3) magazines with rounds; assorted ammunition; three (3) Improvised Munitions Handbooks; assorted magazines; a black face mask; a Tomahawk box containing assorted ammunition; a guitar case which was retrofitted to hold the AR-15 style rifle; one (1 ) clear plastic bag containing two (2) rifle bolts and rifle rail system; three (3) rifle parts, which attach to a rifle rail system, located within the guitar case; a firearm bi-pod; a handgun holster; a clear plastic bag containing a green leafy substance and a white-colored pill; a firearm/rifle brass catcher; an end cap for a firearm silencer/suppressor; a Vlife firearm scope; a stock for a firearm/buffer tube; Kukai SOG knife and black sheath; grey/black blanket with burn-like marks; buffer and buffer spring; four (4) pieces of firearm accessories; a green canvas bag; two containers of Tannerite; one model fbg6 flash bang; and one cannister of "clear out" smoke bomb. The hotel room had been rented for Devin Taylor by a third party, for two nights, beginning on October 1, 2022.

In addition, at approximately 7:30 a.m., on October 2, 2022, the defendant knowingly possessed a loaded, operable, Walther 22P pistol while in the courtyard area of hotel. Town of Poughkeepsie Police Officer Vasile confronted the defendant in the courtyard area and ordered him to get on the ground. The defendant started to comply but then took off running. The defendant ran in and out of the building and courtyard area, through various doors, as Officer Vasile chased him, ordering him to stop and get on the ground. When the defendant entered into the

courtyard area for the last time, Officer Vasile lost sight of him for approximately thirty seconds. As Officer Vasile moved along the building inside of the courtyard, the defendant emerged from an area where there is a row of bushes, and approached her. At that time, the defendant finally complied with Officer Vasile's commands to get on the ground.

Shortly thereafter, as additional officers were attempting to sweep the hotel for additional suspects and victims, they located the loaded Walther22P pistol up against the wall of the hotel, in the courtyard, behind the area of the bushes where the defendant emerged from as he walked back toward Officer Vasile.
