Director Talebian,

In May of this year, it was reported that a Freedom of Information Act (FOIA) request containing a “never-before released” list of every Freedom of Access to Clinic Entrances Act (FACE Act) case filed by the Justice Department since 1994 had been released to Reveal, at the Center for Investigative Reporting, specifically investigative reporters Laura C. Morel and Mohamed Al Elew.

Articles referencing the FOIA can be found [here](#) and [here](#).

Given that this document already exists, I request a copy of the document in question by Thursday, October 20, 2022.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chip Roy', with a stylized flourish at the end.

Chip Roy
