Dear Mr. Furman,

This writing is our notification of fraudulent activity by a third-party cyber-criminal in the post general 2022 election reporting for Moran for Kansas.

On November 14, 2022, our office was contacted by Astra Bank to notify us of potentially fraudulent activity concerning recent wire transfers to SRCP Media, Inc. After communications with staff, it was determined that two wires were sent for payment of fraudulent invoices. One wire was sent on October 25, 2022, for \$345,000.00, and a second wire on November 9, 2022, for \$345,000.00. For a total of \$690,000.00.

On November 16, 2022, the incident was reported to local authorities at the Republic County Kansas Sheriff's Office. From there the case was transferred to the Kansas Bureau of Investigation and to the Federal Bureau of Investigation. The case is currently being investigated.

On November 23, 2022, our office was notified by Astra Bank that \$168,184.03 of the November 9th wire was recovered from Wells Fargo Bank.

We thank you for your kind attention and assistance with this matter. If you have any questions, please contact us.

Very truly yours,

MORAN FOR KANSAS
