

Dear Members of the 168,

We are proud to endorse Ronna McDaniel for another term as Chairwoman of the Republican National Committee.

Ronna has led the Party with integrity and transparency. She has demonstrated good judgement and a steady hand as she guided the RNC through challenging political times. Her care and concern for our Party and country is undeniable and she represents us well.

Under Ronna's unwavering leadership, the RNC has made consistent, critical contributions to the Republican ecosystem. In addition to fulfilling her current term promise of flipping the House and retiring Nancy Pelosi:

- The RNC's assistance to the state and local ground game helped drive 4 million more Republican than Democrat voters to the polls.
- In all but one of the battleground states, Republicans won at the statewide level. Republicans swept statewide offices, including Supreme Court seats, in key states including Florida, North Carolina, Iowa, Nevada and Ohio.
- The RNC's voter registration efforts paid off. Within two years, Republicans either closed the voter registration gap or widened our lead in the crucial states of Florida, Nevada, Arizona, Pennsylvania, North Carolina, and Iowa.
- The RNC's investment in opening 38 community centers played a significant role in growing our voting base. In Florida, with Senator Rubio and Governor DeSantis at the top of the ticket, a majority of Hispanics voted Republican for the first time.
- Ronna launched an Election Integrity program at the start of 2021 and led the fight against Democrat Party attempts to undermine election laws. The RNC participated in over 80 lawsuits in 20 battleground states and helped to activate tens of thousands of poll watchers and poll workers in key precincts across the country.
- The RNC is taking on Big Tech by suing Google for suppressing our ability to communicate with our grassroots.
- Ronna boldly cut ties with the Commission on Presidential Debates to ensure fair debates in our upcoming Primary with honest media partners.
- We are proud of these accomplishments and grateful for the committee's efforts that made them possible.

As investors in the Party and successful leaders in our businesses and communities, we believe Ronna should be elected to another term to continue this important work, which she will do with skill and determination.

And, we are pleased she has already brought together a robust Republican Party Advisory Committee made up of prominent and visionary conservatives to help us chart a winning course.

Ronna is a tireless fundraiser and a trustworthy steward of donor resources. We are confident her continued leadership will put us in the best position to conduct a smooth and victorious 2024 Presidential election.

If you have not already, we hope you will commit to supporting Ronna McDaniel for Chair.

Best regards,
