City of College Park Council,
City Manager

7401 Baltimore Avenue

College Park, MD 20740

It has been a profound honor and privilege to serve the City of College Park since 2007 as a City Councilmember and your Mayor. However, effective immediately, I must resign my position.

On February 28, 2023, a search warrant was executed on my residence as part of an ongoing police investigation. I have cooperated fully, and will continue to cooperate, with law enforcement.

While this investigation does not involve any official city business of any kind, it is in the best interests of our community that I step aside and not serve as a distraction.

I have great trust in the ability of Mayor Pro Tem Mitchell, the City Council, and our staff to carry forward what we have accomplished.

Many of you have already reached out with well wishes and thoughts, and I am eternally grateful. I am stepping away to deal with my own mental health. I ask that you continue to keep me and my family in your prayers.

Sincerely,

Patrick L. Wojahn
