

Who we are

Jo's Cervical Cancer Trust is the only UK charity dedicated to women and their families affected by cervical cancer and cervical abnormalities. We offer a range of information and support both online and face to face, 24 hours a day, at every step of the journey. We also raise awareness about how cervical cancer can be prevented and campaign for best care and treatment.

What do we offer?

- **jostrust.org.uk:** Offering information about cervical cancer and cervical abnormalities, written or reviewed and updated by medical professionals.
- **Helpline:** Offering a listening ear for those seeking support and information about cervical cancer and cervical abnormalities. Call **0808 802 800**.
- **Online forum:** Where women can share experiences, network, and support others facing similar challenges
- **Ask the Expert:** A forum for individuals to post a medical question to our online panel of medical experts.
- **Campaigns:** We campaign to influence UK Governments to implement new/improved preventative, diagnostic and therapeutic procedures for cervical cancer.
- **Awareness and education:** We run programmes to educate the public and health professionals on key areas relating to cervical cancer and how it can be prevented.
- **Support groups:** Offering face to face support in your community.
- **'Let's Meet':** Provides opportunities for women, friends and families to get together for shared support, both at a local level and an annual event.

Jo's Cervical Cancer Trust is there to ensure that women never feel alone at any stage of their journey.
