Dear Windsor Public Schools Families and Staff,

I am deeply saddened to confirm the passing of one of our beloved Windsor High School students, Elijah-Jay Mariano Rivera. During this challenging time, we extend our heartfelt condolences to the family and friends who are grappling with this unthinkable loss.

Windsor High School and Sage Park Middle School have Crisis Intervention Teams made up of professionals trained to help with the needs of students, parents, and school personnel at difficult times such as this. Counselors will be available for any student who may need or want help or any type of assistance surrounding this loss. We encourage parents and students to access these resources as needed.

This QR Code will take you to resources on our website that may be useful to you in helping your child at home. If you would like additional information or need additional support, please do not hesitate to contact Gianna Gill (Communications Coordinator) or Dana Fudge (Director of School Counseling) at ggill@windsorct.org or dfudge@windsorct.org.

Together, we can provide comfort and support to each other through this dark chapter with unwavering compassion and resilience. We will continue to keep the Rivera family, WHS Football Team, and the Windsor High community in our thoughts and prayers.

Sincerely,

Dr. Terrell Hill

Superintendent of Schools
