**AFFIDAVIT FOR ARREST WARRANT**

STATE OF FLORIDA  
COUNTY OF OSCEOLA

Comes now the affiant, **Detective Cody Wood**, a sworn law enforcement officer, to wit: **a Deputy for the Sheriff of Osceola County, Florida, before The Honorable Hal C. Epperson, Jr., Judge, in and for Osceola County, Florida, Ninth Judicial Circuit**, who makes this affidavit and states under oath that affiant has probable cause to believe that certain laws have been violated in Osceola County, Florida, and that on/between **July 21, 2022**, the Defendant, **Tyrell Lamar Johnson**, did violate Florida State Statute(s), and commit the offense(s) of:

- |  |                              |
|--|------------------------------|
| <b>CT1: Murder while Engaged in a Carjacking</b> | <b>F.S.S.: 782.04 (1A2L)</b> |
| <b>CT2: Carjacking with a Firearm</b>            | <b>F.S.S.: 812.133 (2A)</b>  |
| <b>CT3: Grand Theft Auto</b>                     | <b>F.S.S.: 812.014 (2C6)</b> |

Your affiant, **Detective Cody Wood**, is a sworn law enforcement officer employed by the Osceola County Sheriff's Office, and has been employed by said agency since **2012**. Your affiant currently investigates crimes in Osceola County, Florida.

YOUR AFFIANT, IN THE COURSE OF HIS/HER OFFICIAL DUTIES, HAS COME TO INVESTIGATE:

On **July 21, 2022**, at approximately **0133** hours, the Osceola County Sheriff's Office received a 911 call regarding a male who was found bleeding on Westside Boulevard, north of Ronald Reagan Parkway in Osceola County. Deputies arrived on scene at approximately **0144** hours and found Osceola County Fire Rescue personnel rendering aid to the victim, **Jeremiah Brown**. Jeremiah was found by himself, laying in the roadway with multiple abrasions on his body and a suspected gunshot wound under the left side of his rib cage. The abrasions appeared to be "road rash" and looked as if he had slid across the roadway causing his skin to be scraped off.

Osceola County Fire Rescue 73 responded and began rendering aid to Jeremiah. While being treated on scene, Jeremiah went into cardiac arrest. Jeremiah was transported to the HCA Florida Champions Gate Emergency, located at 8460 Champions Gate Boulevard, Davenport. Jeremiah was later pronounced deceased at **0225** hours by **Dr. L. Rivera-Gonzalez**. Jeremiah had suffered a single gunshot wound to his left side above the hip. There was no exit wound located on his body indicating the projectile was still inside him.

I, Detective C. Wood #2139, as the on-call Violent Crimes Detective and other members of the Violent Crimes Unit responded to the incident location. Detectives contacted the witness that called 911, Dave Cancoule, who was working as a security guard for the nearby neighborhood. Dave stated he was flagged down by another witness, Adam Flores, and told a man was lying in the roadway on Westside Boulevard. Dave responded and found Jeremiah lying on his back in the southbound lane of the roadway. Dave informed Detectives that the subject, Jeremiah, was covered in scrapes as if he had been pushed or jumped out of a moving car and had a gunshot wound in his side, under his rib cage.

Jeremiah told Dave he had been shot and repeatedly asked for his girlfriend. He attempted to obtain more information from Jeremiah, but Dave stated he was "out of it" and not answering. Dave advised when he first pulled up to the area where Jeremiah was lying in the roadway, he noticed two vehicles parked just south of the victim on Westside Boulevard. He stated there was an unknown male subject standing outside of one of the vehicles. As soon as Dave pulled up, the male entered one of the vehicles and both fled the area at a high rate of speed. Dave last saw the two vehicles heading south on Westside Boulevard towards Ronald Regan Parkway. He informed Detectives he believed the vehicles were a dark-colored Sports Utility Vehicle (SUV), which he thought was possibly a black Kia SUV, and a light-colored sedan, possibly a white Honda sedan.

Jeremiah's mother, Lorrie Brown, was contacted and notified of the incident. Lorrie advised Jeremiah was visiting Florida from Georgia and was staying at an Airbnb in Davenport. Jeremiah was with his girlfriend, Lexus Daugherty, and her friends. Lorrie informed Detectives she had received a message from Lexus at approximately 0334 hours, asking her if she had heard from Jeremiah. Lexus told Lorrie over Instagram messenger that she and Jeremiah had gotten into an argument and left the AirBnB in his vehicle with his belongings. Lexus told her they tried looking for him at stores around the area but could not find him.

Lorrie provided Detectives with Jeremiah's phone number (805-336-4722) and Lexus's phone number (404-808-2010). Lorrie attempted to call Jeremiah's phone, but she received no answer. She confirmed the phone did ring and did not appear to be shut off when she was attempting to call him. Lorrie informed Detectives that the AirBnB Jeremiah and Lexus were staying at was located at 9045 Stinger Drive, Davenport, Florida. Lorrie told Lexus to contact local Law Enforcement and report him missing.

Champions Gate Security confirmed Jeremiah was registered to be staying at 9045 Stinger Drive in their system. Security's system also showed a guest by the name of Gettridge Olevey was also staying at the residence. Security advised there were two vehicles registered at the address, a Black Dodge Journey bearing a GA tag of CND1259 and a Black Mercedes GLA250 bearing a GA tag of CST4787. Detective responded to the residence, where they observed the Dodge Journey parked in the driveway; however, the Mercedes GLA250 was missing.

Detectives contacted Lexus at 9045 Stinger Drive and conducted an audio-recorded interview. Lexus provided a sworn statement attesting to the same information she had provided to Lorrie. Lexus advised that after Jeremiah left the residence in the black Mercedes GLA250, she walked outside and observed the Mercedes stopped at the stop sign at Stinger Drive and Flange Drive. She noticed a male subject, who she thought was Jeremiah, standing by the passenger side of the Mercedes. Lexus thought he was just calming down from their earlier argument, so she went back inside. Lexus stated Jeremiah was alone when he left the residence, and he did not know anyone in Florida. Lexus confirmed Jeremiah's phone number was 805-336-4722 and he left the residence with the phone. It should be noted, that neither Jeremiah's phone nor the Mercedes' keys were found with his body. Lexus explained she and Jeremiah had rented the black Mercedes GLA250 through Turo and that no one else should be driving the vehicle.

Champions Gate Security provided video surveillance from the entrances and exits of the community. On July 21, 2022, at approximately 0126:01 hours, Jeremiah's Mercedes GLA250 could be seen

turning onto Oasis Club Boulevard from Flange Drive and traveling eastbound at a high rate of speed. A dark-colored older model Mercury Grand Marquis could be seen following the Mercedes closely and at a high rate of speed. The Mercury Grand Marquis had its headlights turned off and appeared to be chasing or following the Mercedes. Both vehicles exit the neighborhood through the exit located at Oasis Club Boulevard and Westside Boulevard.

Champions Gate Security was able to provide video surveillance that covered the intersection of Westside Boulevard and Oasis Club Boulevard. The video surveillance revealed the Mercedes and Mercury turned south on Westside Boulevard from Oasis Club Boulevard at 0126:30 hours. The video surveillance from the guard shack located at Oasis Club Boulevard and Westside Boulevard captured the sound of a single gunshot at 0127:00 hours.

During a neighborhood canvass, video surveillance was obtained from 1039 Via Bianca Drive, Davenport, which captured the area of Westside Boulevard where Jeremiah was located. The video surveillance showed both vehicles, the Mercedes and Mercury Grand Marquis, traveling southbound on Westside Boulevard. Both vehicles abruptly come to a stop on Westside Boulevard just south of where Jeremiah was found at approximately 0127:14 hours. It appeared the Mercedes had shut off due to the lights of the vehicle being turned off. It should be noted, the time from this video surveillance was approximately 9 minutes and 47 seconds fast, so the time in the video surveillance showed 0137:01 hours instead of 0127:14 hours.

Shortly after the two vehicles came to a stop, a subject could be seen exiting one of the vehicles and running northbound on Westside Boulevard, toward the area where Jeremiah was found. As the subject was running, a white Chevrolet SUV could be seen traveling northbound on Westside Boulevard, coming from the area of Ronald Reagan Parkway. The Chevrolet passed by the two vehicles stopped in the roadway and the subject ran toward the area where Jeremiah was found. Moments after the Chevrolet passed, the Mercury fled the area southbound toward Ronald Reagan Parkway. At approximately 0128:38 hours, the subject could be seen running back southbound on Westside Boulevard and entering the Mercedes. The Mercedes appeared to turn on, due to the lights turning on, then left the area at a high rate of speed, traveling southbound on Westside Boulevard toward Ronald Reagan Parkway.

The white Chevrolet SUV that passed by the running subject was later determined to be one of the witnesses from the incident, Adam Flores. Detectives contacted Adam Flores and obtained an audio-recorded sworn statement. Adam informed Detectives that in the early morning hours of July 21, 2022, he was returning to his rental home from Walt Disney World with his family. While driving northbound on Westside Boulevard, he observed two vehicles stopped in the roadway. He described the vehicles to be a dark-colored older, possibly 90's, model sedan and a dark-colored newer model Sports Utility Vehicle (SUV). After he passed by the vehicles, he observed a black male wearing all black running northbound on Westside Boulevard. Further north on Westside Boulevard, Adam saw another black male laying on his back on the west side of the roadway. Adam noticed the male was bleeding and appeared to be injured.

Adam continued to the guard shack at the Champions Gate community located at Oasis Club Boulevard and Westside Boulevard. Adam contacted the security guard at the guard shack, Dave Cancoule, and told him about the male subject lying in the roadway. Dave requested he show him where the male was at. Adam agreed and drove back to the male with Dave following him. Adam stated when they got back to the male laying the roadway, the two vehicles that were stopped in the roadway and the black male he observed running on Westside Boulevard were gone. Adam stated he then found out the male had been shot in the side and appeared to have severe "road rash" as if he had jumped out of a moving vehicle.

The Champions Gate security surveillance was further reviewed, which revealed the same older Mercury Grand Marquis that was seen following Jeremiah's Mercedes pulled up to the guard shack located at Oasis Club Boulevard and Westside Boulevard at approximately 0119 hours on July 21,

**2022. The vehicle can be seen to be occupied by two younger black males. The driver appeared to have dreadlock-style hair that was possibly put up in a bun. The front passenger appeared to have short dreadlock-style hair. The Mercury Grand Marquis was blue with faded, sun-damaged paint. The vehicle was missing the passenger side rearview mirror, appeared to have no window tint, was equipped with stock rims, and a numerical keypad lock on the outside of the driver's door.**

**The black male subjects in the Mercury Grand Marquis attempted to gain access to the community but were denied by the security guard after they could not provide an address to the community they were trying to visit. The subjects then reverse out of the guard shack and proceed to travel eastbound on Oasis Club Boulevard towards Westside Boulevard. On July 21, 2022, at approximately 0122 hours, the same Mercury Grand Marquis returned to the guard shack, however, they proceeded to drive around the guard shack by driving westbound in the eastbound lanes through the exit gate, sneaking past security and the gate arms that block the entrance of the community. The Mercury is not seen on Champions Gate Security camera again until 0126 hours when it is observed following Jeremiah's Mercedes.**

**While further reviewing the Champions Gate security surveillance, the Mercury Grand Marquis could be seen originally entering the neighborhood at approximately 0103 hours at the entrance by Oasis Club Boulevard and Westside Boulevard. The Mercury was captured going around the guard shack by driving westbound in the eastbound lanes through the exit gate, sneaking past security and the gate arms that block the entrance of the community. The Mercury could be seen proceeding the 4-way intersection of Leaderboard Lane (north), Flange Drive (south), and Oasis Club Boulevard (east and west), where it conducted a U-turn and appeared to stop in the roadway of Oasis Club Boulevard facing east. The Mercury appeared to then drive in reverse on Oasis Club Boulevard past the aforementioned 4-way intersection and then pulled onto Leaderboard Lane.**

**The entrance of Leaderboard Lane has an additional security gate arm blocking the roadway, preventing entry without proper authorization. Furthermore, Champions Gate security also had video surveillance monitoring this entrance. Upon reviewing this surveillance, at approximately 0104 hours a black male wearing all black clothing could be seen walking towards Leaderboard Lane from behind the residences located on the east side of Leaderboard Lane. At the same time, the Mercury could be seen reversing westbound on Oasis Club Boulevard toward Leaderboard Lane. The black male walking toward Leaderboard Lane appeared to be on a cell phone and could be heard in the video's audio saying, "Right here. To your left, to the left." Immediately after, at approximately 0105:23 hours, the Mercury pulled up to the entrance of Leaderboard Lane, and the black male wearing all black clothing entered the front passenger seat of the vehicle.**

**The driver and front passenger were the only occupants observed in the vehicle at this time and match the subjects seen later at the guard shack at approximately 0119 hours, minutes before the homicide. The Mercury sat at the entrance of Leaderboard Lane momentarily then conducted a U-turn, turning back onto Oasis Club Boulevard traveling eastbound. The Mercury then exited the neighborhood through the exit located at Oasis Club Boulevard and Westside Boulevard at approximately 0106 hours. It should be noted, the black male wearing all black clothing seen entering the front passenger seat of the Mercury matched the description of the subject Adam Flores stated he observed running towards Jeremiah's body on Westside Boulevard.**

**The video surveillance at Leaderboard Lane and Oasis Club Boulevard also captured the Mercury turning onto Flange Drive from Oasis Club Boulevard at approximately 0123 hours, after the Mercury re-entered the neighborhood. At approximately 0126:01 hours, Jeremiah's Mercedes and the Mercury could be seen turning onto Oasis Club Boulevard from Flange Drive at a high rate of speed. Both vehicles proceed eastbound towards Westside Boulevard and exit the neighborhood. At 0127:00 hours, a single gunshot could be heard on the video surveillance.**

**The time the gunshot could be heard on the Leaderboard Lane video surveillance was consistent with the time the gunshot could be heard on the video surveillance obtained from the guard shack, 0127:00**

hours. The Mercedes and Mercury were seen turning on Westside Boulevard from Oasis Club Boulevard at approximately 0126:30 hours and were not captured on the video surveillance from 1039 Via Bianca Drive, Davenport, until approximately 0127:14 hours, at which point the vehicles stopped on Westside Boulevard just south of where Jeremiah was found. Based upon these times, the gunshot occurred after the vehicles turned on Westside Boulevard from Oasis Club Boulevard but prior to the vehicles being captured on the video surveillance from 1039 Via Bianca Drive, Davenport.

Based on the above information, it appeared Jeremiah was the victim of a carjacking and possible kidnapping, during which he was shot and ejected out of a moving vehicle causing the "road rash" observed on his body. Lexus confirmed no one else should be driving or in possession of the Mercedes GLA250. Lexus advised neither she nor Jeremiah knew anybody that resided in Florida.

The owner of the Mercedes GLA250, Tyishea Harrington, was contacted and informed of the incident. Tyishea confirmed the vehicle was rented by Jeremiah and no one other than him had permission to be in possession of her vehicle. Tyishea advised she desired prosecution for the theft of her vehicle. Tyishea was able to track the Mercedes using the vehicle's installed Global Positioning System (GPS), which revealed the vehicle was parked in the area of Marden Meadows Court in Apopka, FL. Mutual Aid was obtained from the Orange County Sheriff's Office and the Mercedes was later recovered and transported back to the Osceola County Sheriff's Office.

A search warrant was obtained and executed on the Mercedes. During the execution of the search warrant, blood was located on the inside of the front passenger door. Additionally, a spent 9mm casing was located on the rear floorboard inside the Mercedes. A long black cloth, that appeared to be a type of headwrap, was also found on the rear floorboard. Lexus later confirmed that there was no blood in the vehicle before and the spent casing and long black cloth were not theirs or inside the Mercedes before. Several latent fingerprints were also recovered from the vehicle by Forensics and later submitted to evidence at the Osceola County Sheriff's Office.

While reviewing LPR cameras, it was revealed the Mercedes was captured at approximately 0219 hours on July 21, 2022, at the intersection of S Hawthorne Avenue and W 7th Street in Apopka. A white Kia Optima, bearing Florida tag 11ABWV, was observed following the Mercedes. The Kia Optima was registered to Naomi Cynthia Brown (DOB: 10/24/1994), who resides at 500 S Hawthorne Avenue. Investigative research revealed Naomi had the phone number 321-750-6153 registered to her. Additionally, Naomi resides with her boyfriend, Ronald Dewayne Smith Jr (DOB: 03/01/1996), who showed a history of using the phone number 689-247-7828, which was attached to his CashApp account.

Video surveillance was later obtained, which captured the front of Naomi's residence, including the driveway. The video surveillance revealed on July 20, 2022, at approximately 2210 hours, a blue Mercury Grand Marquis with faded paint, a missing passenger side rear view mirror, no window tint, equipped with stock rims, and a numerical keypad lock on the outside of the driver's door arrived at Naomi's residence and parked in the driveway. Two occupants from the Mercury Grand Marquis briefly go inside the residence and later return. The Mercury then leaves at approximately 2213 hours.

The LPR camera located down the street from Naomi's residence at S Hawthorne Avenue and W 7th Street revealed the Mercury was bearing a Florida tag of Z766NZ. The same Mercury Grand Marquis later returned to Naomi's residence on July 21, 2022, at approximately 0420 hours, after Jeremiah was murdered. Comparing the Mercury Grand Marquis observed at Naomi's residence and the Mercury Grand Marquis observed at the guard shack, revealed they were clearly the same vehicle based upon the aforementioned unique identifiers.

The Mercury Grand Marquis is registered to Jimmy Lee Robinson Jr (DOB: 09/16/80). Investigative research revealed the registered owner has a son, Jimmy Lee Robinson III (DOB: 10/22/2004), who, upon comparing his photograph obtained through the Driver and Vehicle Information Database

**(DAVID), matched the driver of the Mercury Grand Marquis observed in the Champions Gate Security guard shack video surveillance. Specifically, Jimmy has distinguishable facial features that can be observed in the video surveillance including his eyebrows, eyes, nose, cheeks, forehead, and hair. Jimmy Robinson III showed a history of using the phone number 407-937-8271 and is actively attached to his CashApp account.**

**While conducting surveillance, Osceola County Sheriff's Office units located the blue Mercury Grand Marquis traveling in Apopka. Units observed the driver of the Mercury to be Jimmy Robinson III. A search warrant was obtained for Jimmy Robinson III's phone records and forwarded to T-Mobile on July 22, 2022. On July 23, 2022, the requested records were received from T-Mobile.**

**The T-Mobile records revealed Jimmy Robinson III's cell phone was in the area of the homicide during the time the incident took place. The records also indicated Jimmy was actively communicating with the phone number 321-306-9135, multiple times, before and after the homicide. The phone number showed to be registered to Tyrell Lamar Johnson (DOB: 10/21/2001), who showed to reside in Apopka, FL. Investigative research on Tyrell revealed he had an extensive history of stolen vehicle incidents and burglaries in the same Champions Gate neighborhood. Upon reviewing Tyrell's photograph obtained through the Osceola County Sheriff's Office's Spillman database, it was revealed Tyrell's physical characteristics were consistent with the male in the front passenger seat of the Mercury Grand Marquis captured in the Champions Gate Security surveillance just minutes before the homicide.**

**A search warrant was obtained for Tyrell Lamar Johnson's phone records and forwarded to T-Mobile on July 23, 2022. Later on July 23, 2022, the requested records were received from T-Mobile. These records confirmed Tyrell's cell phone was in the area of the homicide during the time of the incident. Jimmy and Tyrell's phone records were later submitted to evidence at the Osceola County Sheriff's Office.**

**Upon conducting investigative research on Tyrell, it was revealed he had been involved in 11 incidents in the same Champions Gate neighborhood where the murder occurred. These incidents consisted of several burglaries to vehicles and stolen vehicles that occurred between November 22, 2021, and January 3, 2022. These incidents were documented under the following incident numbers:**

**21I121377 – Stolen Vehicle  
21I129331 – Burglary Conveyance  
21I129335 – Burglary Conveyance  
21I129336 – Stolen Vehicle  
21I129338 – Burglary Conveyance  
21I129347 – Stolen Vehicle  
21I129375 – Burglary Conveyance  
21I129537 – Stolen Vehicle  
21I129555 – Burglary Conveyance  
22I000750 – Burglary Conveyance  
22I000782 – Stolen Vehicle**

**Both Jimmy and Tyrell's call records obtained from T-Mobile indicated they were on the phone with each other for 5 minutes and 54 seconds (354 seconds) between 0059:34 hours and 0105:28 hours. The ending time of this call reflected the same time the black male wearing all black clothing was observed on video surveillance being picked up by the Mercury on Leaderboard Lane, which was approximately 0105:23 hours. Additionally, in that video surveillance, the black male appeared to be on the cell phone and could be heard saying, "Right here. To your left, to the left," as if he were directing the subject in the vehicle. Based on this information, it appeared Jimmy and Tyrell were trying to coordinate with each other over the phone to determine a pick-up location in the Champions Gate neighborhood.**

A preliminary review of the cellular data received from T-Mobile for Jimmy and Tyrell's phones both share the same location history and path of travel in the hours leading up to the homicide. Based on this information, it appeared that Jimmy and Tyrell were traveling together. The data provided the following time and location history for their cell phones:

- July 20, 2022, at approximately 2325 hours – both Jimmy and Tyrell's phones were leaving the area of Apopka and appeared to be traveling westbound on I-4.
- July 20, 2022, at approximately 2340 hours – both Jimmy and Tyrell's phones were in the area of I-4 and the Turnpike in Orlando.
- July 20, 2022, at approximately 2350 hours – both Jimmy and Tyrell's phones were in the area of I-4 and S Apopka Vineland Road in Orlando.
- July 21, 2022, at approximately 0004 hours – both Jimmy and Tyrell's phones were in the area of I-4 and Osceola Parkway in Kissimmee.
- July 21, 2022, at approximately 0014 hours – both Jimmy and Tyrell's phones were in the area of I-4 and World Drive in Kissimmee.
- July 21, 2022, at approximately 0021 hours – both Jimmy and Tyrell's phones arrived in the area of Champions Gate, where the homicide occurred.
- July 21, 2022, at approximately 0129 hours – Jimmy's phone appeared to leave the area of Champions Gate and appeared to be traveling northbound on Highway 27 in Davenport.
- July 21, 2022, at approximately 0132 hours – Tyrell's phone appeared to leave the area of Champions Gate.

Jimmy and Tyrell's phones were both in the Champions Gate area from 0021 hours to 0129 hours, which encompassed the time of the homicide. Jimmy appeared to leave the area at approximately 0129 hours, which was consistent with the video surveillance from 1039 Via Bianca Drive, Davenport, where the Mercury could be seen leaving the area while one of the suspects ran toward Jeremiah's body. Based on this information, it is believed that Jimmy was driving the Mercury Grand Marquis. Tyrell's phone appeared to leave the area at approximately 0132 hours, which was also consistent with the video surveillance, where the suspect could be seen running back to the Mercedes, after the Mercury had already left, and then fleeing the area in the vehicle. Based on this information, it is believed that Tyrell was driving Jeremiah's Mercedes GLA250.

While checking businesses in the Champions Gate area, video surveillance was obtained from the 7-Eleven located at 8500 Champions Gate Boulevard, Davenport. The video surveillance revealed the Mercury Grand Marquis pulled into 7-Eleven from Champions Gate Boulevard on July 21, 2022, at approximately 0033 hours. The Mercury could be seen circling the parking lot and then parking on the west side of the parking lot, away from all other vehicles. The Mercury turns off all its lights and no one could be seen exiting the vehicle. No other vehicles or people approach or met with the occupants of the Mercury while at the 7-Eleven. The Mercury stayed at the 7-Eleven, parked in the same spot until approximately 0039 hours, at which time the Mercury left the 7-Eleven, turning back onto Champions Gate Boulevard. Based on my training and experience, this behavior is consistent with subjects checking to see if they are being followed by law enforcement or are under surveillance.

Along with their phone data, T-Mobile additionally provided the Osceola County Sheriff's Office with updated cell site location data for Jimmy and Tyrell's cell phones based on the search warrants submitted to them. Surveillance was conducted on both subjects by assisting units. During the surveillance, Jimmy was observed operating the blue Mercury Grand Marquis bearing a Florida tag of Z766NZ. Additionally, when Jimmy traveled during the surveillance his phone location stayed consistent with his location indicating he was in possession of the same cell phone that was present at the scene of the homicide. While conducting surveillance on Tyrell, the units also noticed when Tyrell traveled during the surveillance his phone location stayed consistent with his location indicating he was in possession of the same cell phone that was present at the scene of the homicide.

The spent 9mm casing that had been located in the Mercedes after it was recovered was forwarded to the Florida Department of Law Enforcement (FDLE) for further examination. On August 5, 2022,

the Osceola County Sheriff's Office received a laboratory notification from FDLE advising the spent 9mm casing recovered from the Mercedes matched a spent 9mm casing recovered from a shooting the Orange County Sheriff's Office had investigated which occurred on June 26, 2022. FDLE provided me with the Orange County Sheriff's Office incident number for the shooting, 22039233.

I contacted the Orange County Sheriff's Office and inquired about incident number 22039233. I was informed the investigation was in reference to a shooting that occurred at 1302 S. Highland Avenue, Apopka, on June 26, 2022. The complainant for the incident was Carrie Johnson, Tyrell Johnson's grandmother. During the initial investigation, 5 spent 9mm casings were collected in front of the residence. I then contacted Detective Matthew Fewless with the Orange County Sheriff's Office's Gang Enforcement Unit. He advised me during the investigation, they were unable to determine if the spent 9mm casings collected were from that specific shooting or a past shooting that occurred. Detective Fewless advised me of the following through sworn written statements:

On October 23, 2018, the shooting death of Cornelius Dennison sparked a multi-year gang war between the Veli Gang, Bottom Boi Gang, and all included subsets. The majority of the members of both gangs reside in the South Apopka Community. Since Dennison's death, there have been well over 100 documented shootings in the South Apopka area and several more that have gone undocumented. A majority of the shootings have confirmed suspects that are affiliated with one of the two prominent gangs in the area or have no suspect information. Detective Fewless has been working in the South Apopka area in different capacities for the past 5 years.

Detective Fewless advised Tyrell Johnson is a known member of the Veli Gang. Tyrell is known to frequent the 1302 S. Highland Avenue address due to his family members residing there. Investigative research of the address confirmed Tyrell's grandmother, Carrie Johnson, resides at the address and revealed Tyrell's brother, Tramell Johnson, resides at the address. Detective Fewless provided me Tyrell's known YouTube channel under the name "Rello Red" (<https://www.youtube.com/channel/UCTiMYMJF92nSCRC16Oj0WqA>). The account contained 9 videos of rap songs by Tyrell. Tyrell physically appeared in 3 of the videos on the account, while the other videos were just audio playing with a still image of Tyrell or a graphic reading "Rello Rel."

While reviewing the YouTube account, I was able to identify Tyrell in the videos by comparing him to his photographs obtained through DAVID and the Osceola County Sheriff's Office Spillman system. Tyrell's photograph in the Spillman system is Tyrell's Osceola County Jail booking photograph from June 26, 2022. Additionally, I observed a rap video on his YouTube channel titled "Rello Rel - "First Day Out" | Directed by @Bomb Visuals #SHB" (<https://www.youtube.com/watch?v=hRM5LQRH-tU>), which was posted on June 27, 2022. The start of the video showed Tyrell walking out of the Osceola County Jail during night hours while speaking to the camera. It should be noted, Tyrell had been released from the Osceola County Jail on June 2, 2022, at approximately 2044 hours. The video was downloaded and screen recorded and later submitted to evidence at the Osceola County Sheriff's Office.

While reviewing Tyrell's videos, I observed his rap video titled "Rello Rel - On Sight (Official Video)" (<https://www.youtube.com/watch?v=9E07Sbl5XJY>) was recorded in front of 1302 S. Highland Avenue, Apopka. The video showed to have been posted on September 26, 2021. I was able to determine this video was recorded in front of 1302 S. Highland Avenue based on the intersection street sign of Highland Avenue and 15th Street being captured in multiple scenes in the video. Additionally, the Highland Avenue street sign listed "1300" on it in the video indicating the sign was on the 1300 block. During numerous scenes in the video, Tyrell can be observed sitting on top of a community mailbox. This mailbox is located in the northwest corner of the property connected to the 1302 S. Highland Avenue address. During multiple scenes, the residence directly across the street from 1302 S. Highland Avenue, 1303 S. Highland Avenue, can be seen throughout the video.

During the video, Tyrell handled, what appeared to be, multiple firearms, including rifles and handguns. However, the beginning of the video listed a warning claiming the firearms seen in the

video were props and were used solely for the purpose of the music video. The video was downloaded and screen recorded and later submitted to evidence at the Osceola County Sheriff's Office. Assisting units responded to the intersections of S. Highland Avenue and 15th Street in Apopka, and photographed the surroundings to be compared to the video. These photographs were later submitted to evidence at the Osceola County Sheriff's Office.

I also observed Tyrells' rap video titled "Rello Rel - Ruthless (official music video) shot by: @aupprod2nd" (<https://www.youtube.com/watch?v=oedgZtkA0zw>), which showed to have been uploaded on May 2, 2021. Upon reviewing this video, I was able to determine this video was also recorded at 1302 S. Highland Avenue. The same aforementioned intersection street sign of Highland Avenue and 15th Street was captured in this video as well. Additionally, several scenes captured the front, sides, and rear of the residence located at 1302 S. Highland Avenue. Approximately 10 seconds into the video, Tyrell could be observed walking out of the front door of 1302 S. Highland Avenue. I was able to determine the residence in the video was 1302 S. Highland Avenue based on the paint scheme and placement of the doors, windows, and fences. During the video, Tyrell and several other subjects handled, what appeared to be, multiple firearms, including rifles and handguns. The exterior of the residence had been photographed by assisting units for comparison and submitted to evidence. The video was downloaded and screen recorded and later submitted to evidence at the Osceola County Sheriff's Office.

Due to Detective Fewless being involved with Tyrell Johnson during multiple investigations and having previous contact with him, I asked Detective Fewless to review the video surveillance obtained from Champions Gate Security to see if he could identify either subject in the video surveillance. Detective Fewless was asked to review the video from the Champions Gate guard shack that showed the two suspects in the Mercury attempting to enter the neighborhood at 0119 hours but were denied by security. Detective Fewless was also shown two videos, showing two separate angles, of the black male suspect wearing all black clothing getting picked up at the entrance of Leaderboard Lane by the Mercury at 0105 hours. Detective Fewless reviewed the 3 videos and later provided me with the following sworn written statement:

"Recently, I was contacted by Osceola County Sheriff's Office Detectives in regards to this case. I was shown three surveillance videos. The first video is (CCU2 Visitor) footage which appears to occur on 7/21/2022 at 0105 hours. Around .18 in the video, I observe a black male wearing black shorts and a black sweater walking in an unknown grassy area. I can audibly hear his voice in the video, and it appears as if he is giving the driver of a blue Mercury sedan directions to locate him. The male in black shorts and a black sweater enters inside the blue Mercury sedan. The male's voice has a lower tone. Also, the male appears to be taller in stature and medium build.

The second video is (CC2 Overview) footage which appears to occur on 7/21/2022 at 0105 hours. This video is a different angle but occurring at the same time as CC#2 Visitor footage. I was not able to capture any specific details with this footage.

The third video does not have a transcribed name or date/time shown in the video. In this video, I can see a blue sedan and two occupants visible. The first occupant is positioned in the front driver's seat of the vehicle. All I can see is just above this occupant's nose all the way to the top of his hair. I can tell that he has medium-length black hair and is a black male between the ages of 18-25. I cannot identify this male at this time. The second male is positioned in the front passenger seat of the vehicle. I can tell that this male is wearing black clothing but cannot specify any further clothing details. The male's face is grainy, but I can tell that he is a black male between the ages of 18-25. This male has afro-textured hair with distinct strands twisted out. Also, this male's hairstyle is unique because it appears as if his ear is showing and not covered by any hair.

As soon as I saw the subject moving around in the video coupled with his tall stature and deep voice in the other two videos, I believed it could possibly be Tyrell Johnson. The quality of the videos hinders my ability to confidently confirm this, but there are several specific qualities which match. I

have followed Johnson on social media since being a part of the Gang Enforcement Unit. I have also worked/ assisted in cases where Tyrell Johnson was listed as a suspect/ victim several times. Finally in 2022, when Tyrell Johnson was incarcerated in the Orange County Jail, I conducted an interview with him and collected his buccal DNA.”

On July 25, 2022, I received the case synopsis from the Orange County Medical Examiner’s Office (Case #: ME22-01429). Medical Examiner Marie Hansen M.D. ruled the cause of death to be the gunshot wound of the abdomen and the manner of death to be homicide. I was informed the projectile was recovered from Jeremiah’s right hip area. The projectile was later released to the Osceola County Sheriff’s Office and forwarded to the Florida Department of Law Enforcement (FDLE) for further examination.

- Summary -

Based on my investigation, Jimmy Robinson III and Tyrell Johnson’s preliminary cell phone data revealed both were in the area of the homicide during the commission of the crime and fled the area immediately after the incident occurred. During surveillance, both Jimmy and Tyrell were observed at the same locations where their phones’ cell site locations were indicating, which also consistently moved with them during travel. The Mercury Grand Marquis observed on video surveillance was registered to Jimmy Robinson III’s father, Jimmy Lee Robinson Jr. Jimmy Robinson III was observed on Champions Gate video surveillance at the guard shack driving the Mercury Grand Marquis minutes before the murder. Additionally, during surveillance, Jimmy was seen driving the Mercury Grand Marquis on multiple occasions after the homicide.

While reviewing the Champions Gate security video surveillance, only two suspects were seen in the Mercury Grand Marquis. The Mercury Grand Marquis was captured on Champions Gate video surveillance following the victim’s Mercedes GLA250 out of the neighborhood. Both vehicles appeared to be traveling at a high rate of speed and could be seen turning south on Westside Boulevard from Oasis Club Boulevard at approximately 0126:30 hours, toward the area where Jeremiah’s body was found. At approximately 0127:00 hours a single gunshot can be heard in the Champions Gate video surveillance.

The Mercury Grand Marquis and Mercedes are then captured on video surveillance at approximately 0127:14 hours, at which point the vehicles stopped on Westside Boulevard just south of where Jeremiah was found. One of the suspects could be seen running back toward the area where Jeremiah’s body was located while the suspect in the Mercury Grand Marquis fled the area, which was consistent with Jimmy’s preliminary phone location data. The suspect that ran toward Jeremiah’s body returned to the Mercedes and then fled the area in the vehicle, which was consistent with Tyrell’s preliminary phone location data.

After the Mercedes GLA250 was recovered a single spent 9mm casing was recovered from the inside of the vehicle. Additionally, blood was located on the inside of the front passenger door of the Mercedes. Jeremiah suffered a single gunshot wound to the left side. It appeared Jeremiah was shot from inside the Mercedes while he was in the front passenger seat of the Mercedes. Jeremiah was found on Westside Boulevard with several abrasions on the right side of his body that appeared to be “road rash” and looked as if he had slid across the roadway causing his skin to be scraped off. Based on these injuries, it appeared Jeremiah had either been forced out or jumped out of the Mercedes while it was in motion.

The spent 9mm casing located inside of the Mercedes was forwarded to FDLE for further examination. Results revealed the casings matched another spent casing recovered during an Orange County Sheriff’s Office shooting investigation (22039233), which occurred at 1302 S. Highland Avenue, Apopka. It was revealed the address was Tyrell Johnson’s grandmother’s residence, where he is known to frequent and film his rap music video at. Tyrell’s physical characteristics were consistent with the male in the front passenger seat of the Mercury Grand Marquis and the male

walking behind residences in the Champions Gate neighborhood, minutes before the homicide. Tyrell had been involved in 11 incidents, consisting of several burglaries to vehicles and stolen vehicles, in the same Champions Gate neighborhood where the murder occurred between November 22, 2021, and January 3, 2022, which indicated to me that Tyrell was familiar with this particular neighborhood.

Based upon my investigation, Tyrell Johnson and Jimmy Robinson III forcefully stole the Mercedes GLA250 from Jeremiah's custody while armed with a firearm. During the commission of the carjacking, Jeremiah was shot a killed. The suspects then fled the scene with the Mercedes GLA250. I find there is probable cause to believe that Tyrell Johnson and Jimmy Robinson III are in violation of the Florida State Statute (F.S.S.) 782.04 (1A2L); Murder while Engaged in a Carjacking, F.S.S. 812.133 (2A); Carjacking with a Firearm, and F.S.S. 812.014 (2C6); Grand Theft Auto.
