12, 2024. Deputies conducted a consensual search of the residence and part of the yard and did not locate anything suspicious at the time. While conducting their search of the property, deputies observed a fire pit in the backyard of the property which was actively smoldering and smoking.

On June 14, 2024, at approximately 1249 hour the Pasco County Sheriff's Office received a call for service from Brian Burpee. Brian advised the defendant admitted to killing his roommates and their children.

On June 14, 2024, at approximately 1525 hours Deputy C. Chandler initiated a follow up investigation call for service back at the listed location. Upon arrival Deputy Chandler made contact with the defendant who again advised that Rain Mancini, Phillip Zilliot, Phillip Zilliot III, and Karma Zilliot still had not returned back to the residence. The defendant advised Deputy Chandler that he kicked out Rain Mancini, Phillip Zilliot, Phillip Zilliot III, and Karma Zilliot two weeks ago from the residence. The defendant advised Rain Mancini, Phillip Zilliot, Phillip Zilliot III, and Karma Zilliot had taken all their belongings with them when they left. Deputies again conducted a consensual search of the residence and Deputy Chandler observed items belonging to Rain Mancini, Phillip Zilliot, Phillip Zilliot III, and Karma Zilliot inside the residence. Deputy Chandler asked the defendant about the items and the defendant stated the victims did not have time to take the items with them.

On June 14, 2024, your Affiant responded to the aforementioned address and observed portions of the property. Your Affiant discovered there was a fire pit in the rear yard of the property which consisted of various unburned items on the top and ash and various burned debris at the base of the fire pit. Your Affiant observed apparent steel threads from the inner portion of vehicle tires which indicated an intense heat during a prior fire. Your Affiant estimated the fire pit was approximately 10 feet in diameter. During the investigation your Affiant observed a Pasco Sheriff's Office Cadaver dog (Indy) remove an item from the aforementioned fire pit. Your Affiant observed Deana Hudgins, Senior Training Analyst (STA) for FIRST and Indy's handler remove the item from the dog's mouth. Your Affiant viewed the item which was appeared to be a small skeletal remains.

Your Affiant learned Forensic Science Administrator with FIRST, Austin Polonitza, responded to the scene and he located apparent human long bone fragments on the surface of the burn pit. Austin informed your Affiant he also found two apparent human vertebrae, all of which had apparent thermal damage to them. Austin Polonitza informed your Affiant he observed the item that Indy (cadaver dog) pulled from the burn pit and was able to identify the item as a human skeletal remains containing soft tissue.

Your Affiant then spoke with STA Hudgins who stated Indy showed a change of behavior on the front porch of the aforementioned property and STA Hudgins could smell the strong odor of

possibly chlorine around the front porch. STA Hudgins informed your Affiant during the search of the front porch area, Indy barked several times sporadically. STA Hudgins informed your Affiant that Indy's final response for a positive hit is a continuous bark, so her training led her to believe that Indy either smelled a diluted odor or couldn't pinpoint the exact location of human remains.

Your Affiant spoke with Detective Dana Brant, who responded to 4715 Capron Street, New Port Richey, Pasco County, Florida, at around 10:00 PM, to speak with Thomas Simpson. Detective Brant learned that Thomas Simpson has been friends with the defendant, along with Brian Burpee and Phillip Zilliot since high school. Thomas Simpson said he received a FaceTime call on June 13, 2024, at around 2:00 AM from the defendant's cell phone (786-979-4145). Thomas Simpson said that during the phone call, the defendant was asking for his help repeatedly and said he "killed them". Thomas Simpson advised the defendant specifically said Rain and "PJ", who he know to be a male named Phillip, had an argument on the porch and he killed them.

Detective Brant advised your affiant he re-interviewed Destiny Gray on June 15, 2024, at approximately 4:00 AM. Destiny Gray said that while visiting on the evening of June 12, 2024, Rain Mancini was sitting on a yellow or beige couch in the living room, Phillip Zilliot was pacing back and forth, and the defendant was sitting in a rolling chair in the living room. Destiny Gray also said she knows the defendant has firearms and has seen them personally. Destiny Gray stated he stores some of his firearms on beams or trusses above the window by the front door inside the residence. Detective Brant said he watched Deputy Chandler's body worn camera (BWC) footage from June 14, 2024, while he was inside the defendant's house and noticed there was no longer a couch inside the living room, as described by Destiny Gray.

Your affiant spoke with Detective Randall Jones, who came to the residence and met with the defendant. Detective Jones stated the defendant advised he evicted Rain Mancini, Phillip Zilliot, and their two kids on June 1, 2024, for failure to pay rent. The defendant said he then saw them on the evening of June 12, 2024, when they came by unexpectedly and stayed for a few hours. The defendant claimed that Rain Mancini and Phillip Zilliot then gathered their belongings and walked away from the property. The defendant said that Rain Mancini told him she was going to stay at the women's shelter with the kids and Phillip Zilliot advised he was going to stay in a tent at a nearby park. The defendant claimed to have had no contact with Rain, Phillip or the two children since June 12, 2024. The defendant told Detective Jones that he has a T-Mobile cell phone plan with at least four phones on his plan. Detective Jones said that during his interview, the defendant said the Sheriff's Office might find horse bones on property and he also inquired about how fast human flesh would decompose, suggested bodies wouldn't decompose in a day.

Detective Jones said he learned the defendant has a daughter, Tabitha Atwood, who is four-years old and he identified Tabitha's mother as Jade Fiore. Detective Jones said he spoke with Jade Fiore, who said that the defendant picked Tabitha up from her the night of June 12, 2024,

between 8:00 PM and 9:00 PM, and he was supposed to keep her for several days. Jade Fiore said she missed two calls from the defendant on June 13, 2024, at 2:54 AM, but then answered another phone call from him at 2:57 AM. Jade stated that the defendant was panicked and said there had been some sort of altercation, and he had to bring Tabitha back home to her. Jade stated that the defendant arrived at her residence with Tabitha between 5:30 AM and 5:45 AM and dropped her off, and he was driving a blue BMW sedan. Jade said that the defendant was only wearing a baseball cap, possibly green, and red shorts with white trim, and he was not acting himself.

Detective Jones told your Affiant he then responded to Jade's residence at 6740 Flicker Lane, Hudson, Pasco County, Florida, and met with Tabitha on June 15, 2024, at 12:27 AM. Detective Jones relayed that Tabitha immediately told him that Rain Mancini was arguing while she was at her dad's house, and Phillip Zilliot and their children were at the residence.

The defendant informed your Affiant the cousin remained outside the residence and soon left the property; however, Phillip Zilliot II, Rain Mancini, Phillip Zilliot III, and Karma Zilliot entered the residence. The defendant informed your Affiant that Phillip Zilliot II, Rain Mancini, Phillip Zilliot III, and Karma Zilliot were previously residing in the residence from an unspecified date in May (2024) until June 1, 2024, when he told them to leave due to a lack of rent payment. The defendant informed your Affiant an argument occurred between Phillip Zilliot II and Rain Mancini and he (the defendant) decided to leave the property with his juvenile daughter. The defendant informed your Affiant while traveling in his vehicle down the driveway on 6/12/24 at approximately 11:00PM to midnight, he observed Phillip Zilliot II, Rain Mancini, Phillip Zilliot III, and Karma Zilliot walking down the same driveway toward Nottingham Trail. The defendant informed your Affiant this was the last time he observed Phillip Zilliot II, Rain Mancini, Phillip Zilliot III, and Karma Zilliot and he denied knowledge of their current location. The defendant denied killing Phillip Zilliot II, Rain Mancini, Phillip Zilliot III, and Karma Zilliot or burning their bodies.

The defendant informed your Affiant he has been living at the aforementioned residence for the majority of his life and there are currently no other residents at the location except for him. The defendant informed your Affiant there have been no visitors to his property since late Wednesday night after Phillip Zilliot II, Rain Mancini, Phillip Zilliot III, and Karma Zilliot were observed walking down the driveway. NARRATIVE / CONTINUATION

The defendant informed your Affiant he used "adrenaline" to drag Rain and Phillip from the living room, out the front door, and to the fire pit located on the property. The defendant stated he placed Rain and Phillip into the fire, which was already ignited, without sustaining any injuries to his own body. The defendant informed your Affiant he discarded the couch, from his living room, into the fire because of the blood evidence. The defendant informed your Affiant he didn't remember cleaning the interior of the residence but if he did clean then he would have disposed of the towels and/or cleaning items into the fire. The defendant advised your affiant that he threw the firearm, used to kill Rain and Phillip, in the middle of the fire pit and it was burned.

The defendant was photographed and he lacked any significant injuries to include but not limited to injuries from a burn or a physical altercation. The defendant informed your Affiant he has an active cellular phone and acknowledged he never dialed 911 to report the alleged child abuse, shooting, or location of all four decedents.

Based on the investigation the defendant perpetrated, with a premeditated design, the death of at least Phillip Zilliot II and/or Rain Mancini. The defendant then cleaned the crime scene and discarded the evidence and both victims into a fire pit located on the defendant's property. The defendant burned the two victims and evidence within the fire pit and repeatedly lied to patrol deputies and detectives during the initial investigation into the disappearance of Phillip Zilliot II, Rain Mancini, Phillip Zilliot III, and Karma Zilliot. During a post Miranda interview the defendant admitted to involvement in the death of both adult victims and he admitted to knowledge both juveniles (Phillip Zilliot III and Karma Zilliot) were also burned in the same fire pit.
