1. Write a short and plain statement of your claim, including any relevant facts, dates, and locations:

My son is living in our house (rent free) and in the past year has started to use a substance to get high or alter his mind. Now he is getting violent and we are afraid and want him removed from our home. It took 4 visits from Community Resources Friday to finally remove him due to violence and he is still hospitalized trying to get out.

2. What relief are you requesting from the Court? Include any request for money damages.

We want him removed from our home and court ordered to participate in a mental health program that offers housing and assistance, upon his current discharge.

3. State any other information, of which the Court should be aware:
