WHO IS PERSONALLY KNOWN TO ME OR HAS PRODUCED _____ AS IDENTIFICATION. ___LEO/CO (FSS 117.10)					

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **01/19/2025** at **20:40** (Specifically include facts constituting cause for arrest.)

The Defendant, identified as **Karly Anderson of Cocoa Beach**, did commit the offense of **Child Neglect**, when she failed to provide a child with the care, supervision, and services necessary to maintain the child's physical and mental health... Caregiver (a parent, adult household member, or other person responsible for a child's welfare) and **Contributing the Delinquency of a Minor**. Details of this are as follows:

Officers responded to **44 Country Club Road, Cocoa Beach, Florida, 32931**, in reference to an open house party.

Upon arrival, officers observed multiple vehicles parked in front of the residence stretching down the roadway and in the middle of the road. Officers made contact with juveniles at the residence who claimed they did not know whose party it was. Corporal Brown #36 knew who the homeowner was and called her, **Elizabeth Hill-Brodigan**, at 2118 hours. Corporal Brown told Elizabeth that there was an open house party at her residence involving juveniles drinking alcohol and using marijuana. Elizabeth told Officer Brown that she was down the street and would take care of it.

Officers cleared the scene and began to conduct traffic stops on vehicles leaving the area. During the traffic stops, multiple juveniles were located inside the vehicles seen wearing the same clothing from the "white lie party" that was held at **44 Country Club Road**. Officers were eventually called back to the residence by neighbors who were again complaining of the open house party at 2124 hours. The complaints also mentioned that juveniles were seen walking toward the residence through other peoples' yards and were yelling obscenities at them. When officers arrived on scene there was still an active party happening at the residence. Elizabeth Hill-Brodigan approached one of the officers as they drove by and told him that she was shutting down the party. The police department also received a third call complaining about the house party while officers were on scene. The police department then received a call from what sounded like a juvenile at 2228 hours. The unknown juvenile male advised there were people shooting guns at the nearby skatepark and then drove to **Sydney Fisher Park**. The juvenile then advised the people at the park were conducting satanic activity and had someone at gun point. Officers responded to the park, but the call was unfounded. Officers returned to the area of the house party and most of the partygoers had left.

Sergeant Ingersoll #39 observed a vehicle run the stop sign at the south end of **Country Club Road** and almost strike his vehicle at approximately 2331 hours. Sergeant Ingersoll conducted a traffic stop on this vehicle and discovered two intoxicated female juveniles in the vehicle. The juvenile that was driving was arrested for **DUI** and the passenger was cited for being in possession of marijuana. The juvenile that was arrested provided a **Brac of 0.118**. Both juveniles were dressed in the "white lie" attire.

While Sergeant Ingersoll was on this traffic stop, Corporal Brown found a male juvenile vomiting and shaking in Elizabeth Hill-Brodigan's front yard at 2341 hours. Corporal Brown determined that the juvenile required medical attention and had **Brevard County Fire Rescue (BCFR)** respond to **44 Country Club Road**. Once BCFR arrived on scene, Elizabeth Hill-Brodigan walked out of her residence and stood at the top of her driveway. Elizabeth Hill-Brodigan then walked inside and turned off all the lights in the front of her house. BCFR began evaluating the juvenile. Corporal Brown called the juvenile's mother who advised she would be coming to the police department to pick up her son. The juvenile was determined to be intoxicated and was placed in the backseat of Corporal Brown's marked patrol vehicle as the defendant (who is known to be a 3rd grade teacher at **Roosevelt Elementary School**) began to walk up and berate BCFR. Corporal Brown approached the defendant as she was yelling at BCFR. The defendant advised she was upset because a child was being put "in a machine" and stated that she was a teacher. The defendant then told Corporal Brown that she was hanging out at the party, while pointing at Elizabeth Hill-Brodigan's house. Corporal Brown told the defendant that there were 200 kids at the residence drinking. The defendant interrupted Corporal Brown and yelled that she knew that already. The defendant's speech was slow and slurred; she also had mood swings between angry and calm multiple times during this brief interaction. Corporal Brown stated in his body camera footage that he could smell the odor of an alcoholic beverage emanating from the defendant's person and she acknowledged that she had been drinking. Eventually Corporal Brown told the defendant to go away that way he could bring the juvenile back to his mother.

On January 20th, 2025, I spoke with the defendant on the phone. Without any questioning the defendant advised she had no participation in what took place on **Country Club Road**. The defendant advised she had a "friend" and told me that I knew who that friend was (referring to Elizabeth Hill-Brodigan). That friend invited her out for a drink. The defendant advised her friend was sober the whole time because she only had one drink. The defendant then advised her friend's kid "did what he did." The defendant then advised Corporal Brown knows who she is because she teaches at **Roosevelt**. The defendant then advised that her children were not at that party, and she does not participate in underaged "ragers." I asked the defendant if she would be willing to meet with me to provide a sworn statement. The defendant stated, "hell no" and advised she wanted no part of this. The defendant then told me that our phone call better not be recorded. The defendant was advised that everything I do is recorded. The defendant then stated that was okay because she did not say any names.

Later that day I also spoke with Elizabeth Hill-Brodigan on the phone. I asked Elizabeth if she would be willing to provide a sworn statement regarding the incident. Elizabeth advised that she would meet me at 1530 hours that day. At 1538 hours I called Elizabeth back because she had not yet come to the police department. Elizabeth advised that she was not willing to speak with me anymore.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 01/19/2025 at 20:40

(Specifically include facts constituting cause for arrest.)

On January 21st, 2025, Detective Olsen #79 and I began to interview multiple students from different schools who attended the party. The students we interviewed were identified via multiple body camera videos from traffic stops, and encounters at the party. All the students who agreed to speak with us advised that there were over 100 students at Elizabeth Hill-Brodigan's house for this party. Most students knew that Elizabeth was the principal of Roosevelt Elementary and advised that parties like this happen once or twice a month. Students also advised they arrived as early as 1945 hours and Elizabeth was having students help make preparations for the party. At that time alcohol was ready and available in multiple red/white coolers inside the residence. Students also advised that Elizabeth made no attempt to stop the party at any point and advised that she seemed okay with what was happening. Students advised that there was marijuana being used at the party as well. One white male juvenile with a mask on was seen taking videos with a firearm at the party and pointing it at the person recording the video. The firearm was described by one student as a Beretta. The party was advertised via Snapchat and was hosted by Elizabeth's two sons. The students also advised there were fights at the party. One fight was described as follows; A student punched another student who was autistic. A Cocoa Beach wrestler then slapped the student that had punched the autistic student. This altercation was recorded but none of the students interviewed could provide the video. I interviewed the wrestler who admitted that he slapped another student in the street at the party. The student that was hit was confirmed to not be autistic but does have a learning disability. Some students advised that Elizabeth Brodigan was in the residence during the party and had told her son to stop the party. Elizabeth's son ignored her, and Elizabeth took no further action to stop the party. I also attempted to contact Elizabeth's husband, David Brodigan, who is also the homeowner. Elizabeth answered the phone and advised that he was unable to speak with me. David Brodigan called me back and advised he did not wish to speak with me.

On January 24th, 2025, the defendant was seen driving her vehicle out of the parking lot of Roosevelt Elementary School. A traffic stop was conducted on her vehicle as she pulled into her residence at 2 Country Club Rd. The defendant was instructed to exit her vehicle and she was placed under arrest. The defendant was then transported to the Cocoa Beach Police Department for a post-Miranda interview. The defendant refused to speak with me and was transported to the Brevard County Jail.

NARRATIVE**Section 1: Narrative**

On January 19, 2025, at approximately 2045 hours, I and additional officers responded to 44 Country Club Rd, Cocoa Beach, Brevard County, Florida, regarding numerous complaints of noise, alcohol, and narcotics use.

Upon officers' arrival, multiple juveniles (approx 100) were observed at the residence, owned by the suspect, Elizabeth Hill-Brodigan, participating in an open house party. I spoke with the defendant, who I know, via landline and informed her of the complaints received. She said she would respond to the location to handle the issue as she was down the street. She inquired about the noise ordinance and explained she would have the music stopped by 2200.

Additional officers and I responded again at 2124 hours after receiving another report regarding the open house party, noise, and alcohol consumption. Before I responded, I conducted a traffic stop at 2125 hours on a vehicle, where the driver advised he was leaving the house party and was scared because a juvenile at the party was showing off a firearm. However, no juveniles were located with weapons (BWC 21:28). The same juvenile also confirmed the house, pointing out the suspect and her specific job title at the Elementary School (21:33-21:34:15). Officer Mock spoke with the suspect as she approached his vehicle. She advised she would shut down the party. Later, I offered to speak with the juveniles, who were in the suspect's backyard, but she declined to allow me to do that. At this point, the suspect knew about the event as she was home and declined law enforcement assistance to end the event.

At 2341 hours, I located a juvenile in the grass in front of the residence, intoxicated and vomiting. I contacted CBFD to evaluate the juvenile. The juvenile was later turned over to his mother after I contacted her (CBPD report 25-0164). At 23:18:45, the suspect is seen walking out of the house toward the driveway, standing in front of a vehicle, and looking in my direction. She did not inquire about why I was there or what was happening. At 23:19:00, she walks back inside the residence. While I was with the juvenile, SGT Ingersoll #39 conducted a traffic stop on a vehicle operated by a juvenile with other juveniles in the car, where an arrest was made for DUI (CBPD report 25-0165). The juveniles were coming from the party at the residence.

The suspect had control of the residence and allowed an open party to take place where alcoholic beverages were consumed by minors at the residence and failed to take reasonable steps to prevent the possession or consumption of the alcoholic beverage.

Section 2: Crime Scene

The crime scene consists of 44 Country Club Road, Cocoa Beach, Brevard County, Florida, where the house party occurred.

Section 3: Disposition

This case is active and forwarded to CID for further review. BWC video was not captured during my initial phone call with the suspect. BWC was captured during 25-0164.
