- C. ***NOTE: Due to 60th Presidential Inauguration there may be road closures and security perimeters encountered. <https://inauguration.dc.gov/>**
- D. The permittee is responsible for adhering to NCA Fire and Life Safety Temporary Event Policy and ensuring that all generators, tents, portable heaters and other applicable equipment adhere to requirements outlined with the document and this permit. The permittee assumes full responsibility for event elements safety and must ensure their contractors fully understand requirements outlined in the permit. In addition, the site must be ready for inspection by AHJ and/or designated representative prior to the event and upon request.
- E. The Permittee is responsible for obtaining the necessary permissions and/or additional permits from the Metropolitan Police Department (202) 671-6522, United States Capitol Police (202) 224-8891 or from other federal, state or local agencies or departments for the use of public lands other than those under the jurisdiction of the National Park Service.
- F. **Due to the exceptional time constraints associated with this permit and the complexity of multiple vendors bringing materials and equipment to park land, special attention is assigned to the requirement that the permittee must at all times provide an on-site coordinator at each permitted location to be accessible to National Park Service and United States Park Police personnel during the setup activities and during the load in/out of the event.**
- G. **If Permittee or its agents/representatives/contractors/subcontractors cause any injury or damage to park system resources, they may be liable for costs and damages in accordance with the System Unit Resource Protection Act, 54 USC §§ 100721-100725.**
- H. **Permittee will be responsible for any injury to, loss of, or damage to federally owned or controlled lands, waters, or resources (natural or cultural resources or facilities) resulting from Permittee's activities under this permit, 18 USC § 1361.**
- I. All request, correspondence and meetings with the National Park Service pertaining to this permit shall be scheduled by the permittee in writing only. All contractors, subcontractors or consultants must channel their request through the recognized representatives of the permittee who in turn will contact the National Park Service representative.
- J. The Permittee is responsible for providing all necessary equipment/objects to conduct this activity. All equipment must be removed from the park immediately following the conclusion of the event. Items left in the park will be considered abandoned property and will be removed by the National Park Service.
- K. Throughout the course of the permit, the Permittee will require employees/volunteers, and contractors, to exercise special care and attention to protect the resources of the permitted area and its environs. In addition, the Permittee must supervise their contractors, volunteers, and employees during setup and teardown to assure that there is no damage to park resources. The onsite contacts for ANSWER at Meridian Hill are:

1. Ben Zinevich 7:00 am – 4:00 pm
2. Brian Becker 9:00 am -12:45 pm

The contacts must be present physically present at each of the location for the entire duration demonstration permit times. (See above timelines)

- L. The permittee shall require all employees and/or contractors to exercise all normal and reasonable safety precautions and to protect park visitors and property. Suitable devices such as barricades, fences, lanterns, etc. necessary for employee and public safety, shall be provided and adequately maintained. Such devices require the concurrence of the NPS Coordinator or designated representative.
- M. **Marshals:** The ANSWER Coalition will provide at least 50 identifiable marshals to coordinate the various areas of the demonstration. All marshals involved with the organization will wear hi-res security vest and/or armbands. Pursuant to 36 CFR 7.96 (g)(5)(xii) organizers must undertake in good faith all reasonable action to provide sufficient marshals, to ensure good order and self-discipline in conducting such demonstration. Marshals should be aware of their responsibilities and location(s) where they will be stationed and have received from organizers adequate training and instructions. Marshals should be aware of the time and location of the assembly and any march routes, the location of any first aid stations, water, and toilets, be knowledgeable of the NPS permit conditions, be able to communicate with law enforcement. Marshals' area expected to report any problems they observe to Law Enforcement and/or National Park Service Permit Monitors. While marshals do not act as police, they do help maintain order among participants, explain to non-participants that a particular area may be under permit, and be able to alert their supervisor and the United States Park Police in the event they observe a problem on Federal parkland.
- N. **No interference with the pedestrian traffic and no blocking of entrances, sidewalks, or driveways is allowed. No impediment to or disruption of vehicular traffic is permitted. All areas are to remain open to the general public at all times.**
- O. **Medical Aid:** Person in charge is responsible for providing first aid services onsite. Permittee is required to adhere to recommendations provided by DC Fire and EMS. Permittee can rely on 911 for transport of patient. At a minimum permittee must have one Basic Life Support Medical Aid station and mobile med teams in all permitted locations.
- P. **Commercial Advertising Signage:** Consistent with long-standing NPS regulations and policy, and Public Law 108-108, Title I, §145, the erection, placement, or use of structures and signs bearing commercial advertising is prohibited for any special event. The recognition of special events sponsors, however, may be allowed if it has been specifically authorized by this permit.

A permit may be issued that authorizes the recognition of sponsors of special events, if the NPS determines that the size and form of the recognition is consistent with the special nature and sanctity of the National Mall or any other requested park area, and if the lettering or design identifying the sponsor is no larger than one-third the size of the lettering or design identifying the special event. Further, to the maximum extent practicable for such special events, public use of and, access to the National Mall and other parkland is not to be restricted.

The Permittee shall submit a sign plan for NPS review and approval. Any request seeking NPS approval for sponsor recognition must be submitted to the NPS at least 14 days prior to the proposed event, and if approved by the NPS, will be authorized within the terms of the special event permit. Authorized sponsor recognition must be in keeping with NPS policy, regulations, and laws and be appropriate to the scale and theme of the special event. Further, the overall size, number, and design of any signs or banners shall be appropriate to the park setting and lettering or design identifying the

- R. **All sound amplification equipment shall be limited so that it will not unreasonably disturb nonparticipating persons in, or in the vicinity of, the area. National Park Service has issued a Record of Determination in Meridian Hill Park during regular business hours, therefore no amplified sound is allowed in Meridian Hill Park as part of this activity.**
- S. **Balloons of any kind, glass containers and alcoholic beverages are not permitted.**
- T. **The collection of entry/registration fee is prohibited on parkland.**
- U. **Approval of this permit does not constitute and should not be construed as a Government endorsement of the Permittee's views, activities, products, goods, services, or enterprise. The Permittee shall not refer to permits awarded by the National Park Service for commercial purposes, in advertising, or in a manner which states or implies that, by issuing the permit the views, activities, products, goods, services, or enterprises undertaken pursuant to this permit are approved of or endorsed by the Government.**
- V. **The Permittee has not submitted a request to use the National Park Service Arrowhead Symbol. Use of the National Park Service Arrowhead Symbol is governed by 36 C.F.R. part 11. The Arrowhead Symbol is the official emblem and a registered trademark of the National Park Service. The National Park Service must authorize any use of the Arrowhead Symbol, including incidental use. Using the Arrowhead Symbol for advertising, promotional, or other commercial purposes is prohibited. Unauthorized use of the Arrowhead Symbol may subject an individual to criminal penalties under 18 U.S.C. § 701.**
- W. **Permittee's desiring the use of temporary structures, i.e. cable trusses, stages, audio and/or video towers and tents, whose dimensions are (500) square feet or more, shall provide Life Safety Code certification statements confirming the safety of all temporary structures. In the event that the manufacture's certifications are not available, permittee will submit to the NPS stamped engineered drawings for NPS review and approval. Smaller structures cannot be attached or within 5ft of another to create a larger structure.**
