Re: *The State v. Alexander Devante Dickey*
Warrants 2025A4021601544-2025A4021601555
May 3, 2025, Incident
Victim: Logan Federico

Dear Solicitor Gipson:

This is to respectfully ask you to strongly consider filing a notice of intent to seek the death penalty pursuant to S.C. Code §16-3-20 and §16-3-2526 for the murder of Logan Federico on May 3, 2025. This case includes charges that qualify as statutory aggravating factors, including that a murder was committed while in the commission of burglary in the first degree. A review of Mr. Dickey's prior criminal history of numerous convictions since 2014 reveals an individual that has failed to be rehabilitated by prior incarcerations or probation supervision. His past history, as well as his current violent crime charges show an appropriate candidate for the ultimate punishment.

If you or your staff feel unable to proceed forward with this decision, please understand that this Office stands ready to assume that responsibility after appropriate review of the evidence.

Please notify me of your intention by close of business day on Friday, October 10, 2025.

Sincerely,

Alan Wilson
