Last Saturday was great glad I got to hold and hug brooke and timothy. When were you wanting to see andrew for his birthday? Saturday we are busy possibly Friday afternoon or Sunday morning is good. Also could you bring the kids with so I can spend some time with them.

Are you going to pay half of dance/tumble, girls scouts, Tim's high school hoodie, or their technology fee for school? Also Tim also wants to do jujitsu so I am looking into that as well. We will be at Aquatica on Saturday. If Andrew wants to meet before hand I can meet near aquatic. The kids had school pics taken last week, do u want to order any?

Still have yet to have any contact with kids. Just so you know im not ok with the constant moving habits of that household and would like a time when we can meet at a park I can have a officer meet us there if there's concern. Just so we can start taking any small steps to the kids seeing each other again.

I haven't even seen my kids since April nor talked much. And with everything that has happened when we can get things back to how they are supposed to be we still will not be able to have holidays together in my opinion. Idk after all you've said I've done to you and the kids why you would ever be ok with me being in your house when I was trespassed just for showing up for my kid and told I wasn't supposed to be there. Help me understand that

9/27/24 11:49:41 AM EDT

Thomas Hudson (+13524282583)

Feel free to call to explain

9/27/24 12:02:36 PM EDT

Thomas Hudson (+13524262663)

You at work?

9/27/24 12:20:21 PM EDT

Yes I'm at work

9/27/24 12:20:28 PM EDT

Because as a mother, yes, I am trying to do what's best for the kids, but also am trying to make sure that the kids are having a relationship with you as long as it stay healthy. Inviting you to Thanksgiving dinner is still two months away it allows the kids the opportunity to have a conversation with you if it happens then it happens if it doesn't, then it doesn't. I have actively since April tried to get these kids to communicate with you. Timothy is making progress, but Brooke has not swayed in anyway, but if we can make this work at least maybe her opinion may change or it may not. But this gives her a safe place so that if she finally does want to talk to, she can do so without judgment. It was worth me asking. If that's not what you want that's completely up to you. I was trying to make steps. If you think for one second it wouldn't be uncomfortable for us just know yes it would be but we are trying to make an effort. I

And with a text message/email, neither one of us could be called a liar or be told that we said something that we didn't. This keeps both of us completely 100% honest

9/27/24 12:21:13 PM EDT

You can invite Courtney and her kids too ifc

9/27/24 12:29:36 PM EDT

Thomas Hudson (+13524262663)

Id like to see the kids sooner than that as far as taking steps moving forward me starting to talk to brooke would be great even just for a minute just to start anything back. And we have to be honest in order to make things work out for the kids sake.

9/27/24 12:31:11 PM EDT

Im trying to take the steps to make this right. Getting together will help to get the kids comfortable to go with you. I also plan on talking to the therapist on Monday to see if she can talk to Brooke about talking to you on the phone maybe we can get her ok with talking to you one day a week and go from there

9/27/24 12:34:07 PM EDT

Thomas Hudson (+13524282683)

That's understandable but maybe lunch or something at a park is better than a holiday. I know things will change for the better with a little time.

9/27/24 12:54:55 PM EDT

Thomas Hudson (+13524282683)

Tim's bday is coming up am I going to be able to see him

9/27/24 6:55:31 PM EDT

In case of an emergency during this major hurricane I need the address to where our son will be. I've never asked nor do I care where you are but I do care where our son will be during the hurricane.

10/15/24 10:18:40 AM EDT

I'm not going back and forth with you we had a conversation on the phone about the kids birthdays you had plans 10/5 for Andrew's birthday so we discussed meeting on 10/12 since we have plans this coming weekend

The conversation you are referring to had nothing to do with the kids birthdays

10/15/24 10:31:21 AM EDT

Thomas Hudson (+13524282683)

It's pointless everything will happen for a reason I'll make plans send me your attorneys contact info please

Thomas Hudson (+13524282683)

10/19/24 11:09:59 AM EDT

Please let me know if you will not be paying child support this week. Brooke wants to go get her Halloween costume just trying to figure out if I can swing it this weekend or if I need to wait until next

10/19/24 11:12:13 AM EDT

Thomas Hudson (+13524282683)

I'm going to go through child support and the courts. Or until things get back in session I'll be holding the payments

10/19/24 11:24:14 AM EDT

So I just want to clarify you are withholding child support?

10/19/24 11:28:25 AM EDT

Thomas Hudson (+13524282683)

**You have made it clear that our set in place parenting plan is no longer valid to you. So I will be going through the proper channels to get things done properly moving forward**

11/26/24 5:56:13 PM EST

12/11/24 7:06:02 PM EST

Thomas Hudson (+13524282683)

Did you figure out what you want or did you come clean to cris about your tough times and who you miss im tired of keeping things to myself when you lie about me

1/7/25 7:37:06 PM EST

Thomas Hudson (+13524282683)

See if tim or brooke can call me please

11/8/25 7:35:19 PM EST

I need you to call me asap

11/8/25 7:35:50 PM EST

It's a emergency

11/8/25 8:24:40 PM EST

Thomas Hudson (+13524282683)

I know it's probably a no but I can come get brooke tonight just to get her away from the situation. I promise I'm not going to keep her from you or anything as soon as you guys are able to head home I can bring her to you. Or is there anything else I can do.

11/8/25 8:30:15 PM EST

I really do appreciate it and I'm not trying to be any which way I just think  
it'll be more traumatizing for her to be removed as of right now she  
doesn't know anything about Timothy. The only thing I told her is that he  
was having a hard time coping with losing Anna so he's getting  
checked out by the hospital.

11/8/25 8:32:46 PM EST

Thomas Hudson (+13524282683)

Ok well im not trying to push it but the offer is there if when you find  
more out and have to handle things.

11/8/25 8:33:16 PM EST

When we have to cross that bridge we (you and I) will come up with a  
way to tell her and Andrew

11/8/25 8:33:37 PM EST

Thomas Hudson (+13524282683)

Ok

11/8/25 8:34:56 PM EST

I will call you tomorrow as soon as I have anything

11/8/25 8:35:12 PM EST

Thomas Hudson (+13524282683)

Okay

11/9/25 10:02:03 AM EST

Thomas Hudson (+13524282683)

Are you able to talk to or see timothy

11/9/25 10:16:41 AM EST

I'm waiting on the FBI and also the doctor to call me as soon as I know  
something. I promise you that I won't. I will call you.

11/9/25 10:16:59 AM EST

Stupid talk to text

11/9/25 10:17:09 AM EST

I promise you as soon as I get a call but you were going to be the first person I called

11/9/25 10:17:57 AM EST

As soon as I know anything you will be the only one I will be calling

11/9/25 10:19:44 AM EST

Thomas Hudson (+13524282683)

I get that but I mean have you talked to tim while he's at the facility

11/9/25 10:20:09 AM EST

I was able to talk to him last night for under two minutes briefly he just keeps repeating over and over he can't remember anything

11/9/25 10:21:21 AM EST

I don't even know if they were allowed to let me talk to him or not but the nurse was very nice and let me talk to him just to tell him that you and I love him

11/9/25 10:24:01 AM EST

Thomas Hudson (+13524282683)

I just want him to know that he isn't just dead to everyone. Regardless of everything at the moment he needs his parents I know you know that. I just would like to have a chance to talk to him as soon as possible

11/9/25 10:25:01 AM EST

We (Chris me and his parents) told him that yesterday before they took him we told him no matter what you and us are with him he isn't alone

11/9/25 10:28:31 AM EST

Thomas Hudson (+13524282683)

Ok I know everything is supposed to be hush hush for now but I've seen that it is still getting out with post and comments between Facebook tiktok and stuff ... I just want to make sure until things are certain that he doesn't get any unnecessary comments towards him

11/9/25 10:33:15 AM EST

Nobody knows anything about him. He is a minor and has been kept completely out of it. We have not said anything to anybody and we are going to try our best to keep it completely out. He is a minor so his name shouldn't be anywhere and when we talk to the FBI again we will reiterate that we do not want his name out there and everything that's been posted on TikTok and social media. Nobody knows anything and everybody's just speculating. We know what I told you last night and we'll know exactly more when the autopsy is done. Once we get the autopsy today, depending on what it says, depend on whether he's booked on these charges.

11/9/25 10:34:48 AM EST

You will stop seeing Anna name

11/9/25 10:35:02 AM EST

Thomas Hudson (+13524282683)

I understand and no his name wasn't mentioned in just want you aware if you weren't aware

11/9/25 12:02:47 PM EST

What exactly do you tell Andrew

11/9/25 12:04:17 PM EST

I don't want to say something that you haven't told him

11/9/25 12:12:44 PM EST

Thomas Hudson (+13524282683)

I've told him what I know so he doesn't hear or see all the theories that is on social media that I've seen. There's a lot going around

11/9/25 12:13:15 PM EST

Thomas Hudson (+13524282683)

He is ok just kinda still hard for him to believe

11/9/25 12:22:08 PM EST

Ok he was asking me I just didn't want to mention Tim if you hadn't

11/9/25 12:24:29 PM EST

Thomas Hudson (+13524282683)

I did I didn't want anything else to be said online

11/9/25 12:27:43 PM EST

Thomas Hudson (+13524282683)

I feel like he needs to be told the truth by us just so nothing is twisted

11/9/25 12:28:01 PM EST

Thomas Hudson (+13524282683)

He knows not to tell anyone

11/9/25 12:40:11 PM EST

Thomas Hudson (+13524282683)

Can I please talk to brooke when you get a chance just for a little. I won't say anything about tim just want to tell her I love her.

All parties agree that Timothy Hudson will be under the care and supervision of Devon Ziske. Timothy will reside with Devon at his residence until both parents provide written consent for him to live elsewhere.

Both parents agree that neither may remove Timothy from Devon's care without the mutual written agreement of both parents.

Both parents further agree that Devon will be granted temporary Power of Attorney and Medical Power of Attorney for Timothy, allowing him to facilitate counseling, medical treatment, and the administration of any prescribed medications as needed.

All parties agree that Timothy's location will remain confidential and will not be disclosed to anyone other than his parents and law enforcement authorities.

This agreement will be printed, signed, and notarized, with each parent and Devon receiving a copy of the finalized document.

Andrew, who is 17 years of age, is able to make his own decision regarding whether he wishes to meet with his siblings. Should he genuinely wish to do so, he may arrange to meet them independently. (At a police department if necessary) Timothy and Brooke have explicitly stated that they do not wish for you to be present at this time, and it is important that their wishes are fully respected.

On a separate note, Timothy had a recent dental appointment. His cleaning is scheduled for May 5th, and the dental work will also be completed in May 16th.

Please provide the contact information for the dental office where Andrew received treatment for his six cavities. As well as the doctor's office where he is currently being seen at.

Dr albriton as well you already knew that.

He goes back in June for an extensive cleaning that's 75 dollars.

If you could since you are receiving the child support for Andrew still but he is no longer with you and hasn't been for over a year please send me his part of the child support that would be appreciated until child support can get the stuff figured out.

Also please send me tim and Brooke's doctor and dentist information thank you

Thank you for finally providing the dentist information for Andrew. I want to clarify that this is the first time I've received any details regarding Great Expressions, despite having asked multiple times previously. I have also not received any calls from the dentist office, and was therefore unaware of any scheduled appointments. Given that I've consistently requested this information, and it is only now being shared, I have not changed or canceled any appointments for Andrew.

In regards to Andrew, he is still legally supposed to be with me, yet you have taken him in violation of our current court order, if you believe there needs to be an adjustment for child support, that matter must be handled through the proper legal channels. Until an official change is made, the current support order remains in effect.

As requested, here is the doctor and dentist information for Tim and Brooke:

- Dentist: Brevard Health Alliance
- Doctor: North Brevard Pediatrics

Once Andrew has his cleaning appointment, please upload the receipt to OFW, and I will pay the half I'm responsible for. I will also upload all receipts to date for Brooke and Tim, for which you are responsible for your half.

Have a nice night.  
-Shauntel

Being that I have not talked to or seen my kids in so long. I will talk with the attorney and see what can be done. Maybe we can agree on something that benefits the kids having both parents in their life.

As previously communicated both before and during mediation, and in line with the children's expressed wishes, they would like to engage in therapy with you before any direct communication takes place. If you have any further questions or concerns, please contact my lawyer.

**Subject:** Re: Father's day and summer time

**Tim informed me that Andrew texted him, claiming I am refusing to allow you and Andrew to participate in therapy with the children. For the record, that is completely inaccurate. I have consistently supported and encouraged therapeutic involvement between you and the kids. My written communication yesterday again made that clear.**

That said, despite receiving my message, you chose to disregard the children's clearly expressed boundaries by approaching and cornering them, even after they asked not to see you. This behavior is not appropriate and does not support their emotional well-being.

Additionally, as per the court's directives, you are not to discuss our legal matters with the children. Conversations that occur during mediation or related to parenting matters are to remain strictly between us. Sharing a one-sided narrative with Andrew — especially when it involves the children — is misleading and inappropriate. If you feel the need to involve him in these discussions, perhaps consider sharing our full exchange of messages and emails to provide accurate context.

As per the mediation it was discussed and I offered to use the kids same therapist to do therapy. If I have to get the mediation notes court ordered I will. As far as not discing it with the kids when my son tells me that my other son told him that you are lying to them then yes I will tell the truth. As I said everything is noted and can be court ordered to be in court when we go. Being said I will let my attorney know that you are willing to go the therapy now I can contact there old therapist and see if there are willing to meet our requirements for the family.

Also Andrew just gave brooke flowers she said she loved and missed him as she gave him a hug you were not cornered. Hopefully we go to court soon for everything to come to light in the best interest of the kids.

Andrew brought up mediation to Timothy today, even though he wasn't aware of what we had discussed—because he's a child, and those conversations should stay between us. On top of that, Andrew gave him inaccurate information, which is not okay.

I'm the one who has consistently been pushing for therapy. I've asked you for over a year to go to therapy with them. At no point did I say I wasn't okay with them seeing their former therapist. What I said was that she doesn't take our insurance and charges \$125 per session. With four sessions a month per child, that adds up and you weren't willing to split that cost with me.

Andrew didn't bring up mediation he said i was ok with therapy and you switched up but that's fine. You can use the scholarship and to pay for it. Also side not you are legally supposed to report if I have payed in lump sum to catch up in child support wick I did months ago. Which you have not. We are done with back and forth let me know about therapy with the scholarship money.

If Brooke ever wants to talk to you, she can use Tim's phone or mine that's also the best way to reach her. She hasn't asked to talk to you, and I check in with her regularly (at least once to twice a week) and encourage both kids to stay in contact. I'm not going to force them, but I always give them the opportunity. They both continue to express that they'd prefer to start with therapy first.

Also, I'm not sure what you're referring to about Brooke's flowers being broken. They were placed in a vase as soon as we got home. I don't appreciate the implication that we damaged them, because that's simply not true."

Good evening,  
The kids have started school and are doing well. Brooke has started dance, she chose to do hip hop and Timothy has started soccer. I will share the dates for his soccer games once I have them. Brooke had routine bloodwork done, which came back normal. Timothy has an upcoming medical check on Thursday. I will also be looking into orthodontic consultations for Brooke to determine whether it's the right time for braces or if we should wait a little longer.  
Have a good night.

That being said i will request that he not be present next meet since he is not capable of allowing the parents handle the exchange.

I'm sorry she didn't want to go with you, and I know I had encouraged her to. I don't believe her reluctance has anything to do with Chris being there, she's simply been through so much lately with Anna's passing and Timothy being gone. The funeral was just last night, and this is an incredibly difficult time for her.

Brooke will be doing counseling through DCF to help her cope with her grief, and I'm hopeful she'll reach a place where she feels ready to spend time with you. I will continue to encourage her to go.

Also, the parenting plan lists the holiday exchange in Titusville at Cracker Barrel, but with how busy it gets during the holiday and with everything else going on, we can meet at the Titusville police department or the Titusville sheriffs office instead. Let me know which one you would prefer.

I will then drop her off at 11.59pm at the same location. I was just trying to make it easier for everyone cause of the holiday. As stated a few times already in mediation I said I was fine using the same therapist the kids already were familiar with but you refused as soon as I agreed to it. Our attorneys were present for that also as of now that offer isn't standing anymore since you have continued to give false information to child support. They have now said I am backed by 12k now when it was down to 8k so there taking more from me. even though

Amber has been under a lot of stress since April of 2024 and I have been helping her with her stress. I have been behind catching up on work since provided all of my own statements and after we go to court and I start getting reimbursement for the coverage. I offer now to take Brooke to therapy here by me since I can't afford to take off work. As I am the only one working as you have said. I ask that you take in consideration to our kids and also our funds if I lose my job that leaves both of us with no money for bills. Also you have still yet to give Devon money for Timothy's child support and he's been in his care for 3 weeks at least. I will need proof provided that you have sent payment for my records. I can take Brooke and take care of everything until you get your home situation back on track.. finding a place a job and the whole media circus away.

I want to clarify the therapy situation so we're on the same page. In mediation, I agreed to use Amber. The kids were discharged from her services and she was fully booked. I asked that if she wasn't available, we find another therapist, and that's where You declined, which is why mediation stalled.

My work and home situation are stable, and like you, I also can't keep taking time off. We need a plan that doesn't cause Brooke to miss school or spend long hours driving.

As for anything involving Devon, that is something he and I are handle directly.

I'm open to working together on a counseling plan that works for Brooke and is manageable for both of us.

Dcf has no say on that subject it is up to me you and Devon. All kids have stated to me that they want to see each other. I believe it is good for them to do so.

That being said I believe that I keep it out of the public and not in the location of Tim's residents. So I ask again please let it be ok for all 3 of the kids to see each other. It is in the best interest for them. You are the only one keeping them from doing so as this weekend is my weekend with brooke. If you're going to allow it let me know as soon as possible and we can come up with a good plan to make it happen.

Tell brooke I love and miss her cant wait for the weekend.

After some calculations Tim's portion of child support is \$190 a week. Please provide proof of transfer to Devon when you do so. As of now it's been going on 4 weeks since tim has been in his custody.

Also following up on previous message about the kids seeing each other this weekend. And asking you since Tomorrow is the start of my weekend and I was going to be over in Titusville for court if you wanted to just let me get brooke there right after court. Or just meet me at our designated exchange place the racetrack gas station. Just let me know what works for you.
