Dear Representative Drazkowski,

Thank you for your letter of June 25th, 2019. I appreciate the chance to respond.

With respect to your request for an ethics inquiry into Rep. Omar, the Office of Congressional Ethics (OCE) of the U.S. House of Representatives is the independent, non-partisan entity charged with reviewing allegations of misconduct against Members, officers, and staff of the U.S. House of Representatives and, when appropriate, referring matters to the House Committee on Ethics.

The OCE accepts and reviews information concerning allegations within its jurisdiction from members of the public. Should you wish to submit a request, additional information is available here: <https://oce.house.gov/contact-us/make-a-submission> or at (202) 225-9739.

Additionally, regarding the matter of a security clearance revocation, Members of Congress do not have security clearances - access to intelligence is granted by virtue of their elected position. Furthermore, House Foreign Affairs Committee Members have no additional clearances as a result of their service on the Committee.

I hope this information is helpful. I am honored to represent you and look forward to working on behalf of all my constituents to lower the cost of health care, invest in improvements to our infrastructure, and stand up for our farmers affected by trade uncertainty during a historically wet planting season.

Thank you again for reaching out. I hope to hear from you again in the future.

Sincerely,

Angie Craig
Member of Congress

Steve -
