

Conducted October 15-19, 2026 under the joint direction of Beacon Research (D) and Shaw & Company Research (R), this Fox News poll includes interviews among 2,011 Texas registered voters who were randomly selected from a statewide voter file and spoke with live interviewers on landlines and cellphones, or completed the survey online after receiving a text message. A subsample of 1,398 has been defined as likely voters.

Results based on the full sample have a margin of sampling error of plus or minus 2 percentage points. Results among the attached subgroups have larger sampling errors:

2. Thinking about November's election for senate, governor and other offices, please how likely it is that you will vote on a scale from zero to 10, where 10 means you're certain you will vote and zero means there is no chance you will vote. If you have already voted, either early or by sending in a mail or absentee ballot, please just say so.
