

Conducted September 24-28, 2026 under the joint direction of Beacon Research (D) and Shaw & Company Research (R), this Fox News poll includes interviews among 1,204 Iowa registered voters who were randomly selected from a statewide voter file and spoke with live interviewers on landlines and cellphones, or completed the survey online after receiving a text message. A subsample of 1,008 has been defined as likely voters.

Results based on the full sample have a margin of sampling error of plus or minus 2.5 percentage points. Results among the attached subgroups have larger sampling errors:
